Customer Problem Statement Template:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	Particular organisation	Secure my organisation from attackers	There aren't measures to protect against phishing	Attackers are easily trying to get information by changing the URLs	This project will help us to protect the information in a better way
PS-2	Netizen	Secure my online transactions	I'm not sure if my data that I enter in websites are secure	Attackers may try to get the information by changing URLs	This project will help to protect my transactions
PS-3	YouTuber	Secure my channel	The link I get for promotions sometimes corrupts my channel	Attackers are trying to get hold of my identity and channel and revenue	This project will help me secure my channel
PS-4	Naïve users	Secure my digital footprint	I am not even aware of malicious links	I'm new to using the internet	This project will help me become aware.
